

Add a touch of vintage glamour to your party

Combining authentic dance moves with traditional costume and music, MyCharleston create dance shows that enthrall and entertain audiences bringing the Golden Age of Jazz back to life. We'll also get your guests swivelling on the dancefloor in no time as we teach them how to Charleston.

"The perfect troupe to perform at my 30th birthday - their show was dynamic, polished and super fun. I'd recommend them highly to anyone looking to jazz up a party."

Your performance at our daughters' 40th was amazing. Perfect entertainment for the 1920's theme. Young and old joined in the lesson and haven't stopped talking about it since!

Thank you so much!
